### **EXPERIENCE**

José N. Falcón's Occupational Safety & Health consulting experience at CESG includes being responsible for planning, organizing, and directing day-to-day activities that affect the EHS programs. Duties include developing and implementing a safe work environment, and performing safety audits in order to prevent injury to workers and reduce liability claims to the employer. This training has allowed CESG to offer additional OS&H services. The focus is to comply with the OS&H regulation and policies established by OSHA.

Prior to joining CESG, José N. Falcón has experience in OS&H Manager for 6 years and Project Management for approximately 1 year. The objective is to ensure that a project is completed on time and within budget, that the project's objectives are met and that everyone else is doing their job properly. In addition, José N. Falcón has 4 years' experience as a Purchaser Manager.
